Fellow MSU Student:

Your decision to further your education at Morehead State University was an important one. We agree with your choice of MSU and congratulate you on completing your high school education.

The total university experience is available to you here at Morehead State. We believe the programs of study and the faculty are excellent. What you get from your time at MSU is largely up to you. We encourage you to take advantage of the many opportunities available at MSU.

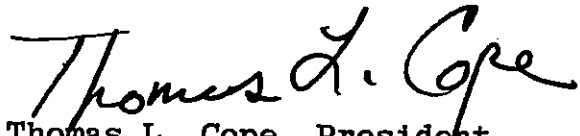

Much learning experience is available to you in activities outside the formal classroom. Morehead State University has about 100 student-led organizations in which you may become involved. Those organizations are academic, social, residential, honor, religious, and service in nature. Some meet often; some infrequently. Some require much time; others require very little. Some advance your learning; some are just for fun.

Ask how you can get involved. There are many opportunities for you, even as a new student, to get involved in many positive, extracurricular activities at MSU.

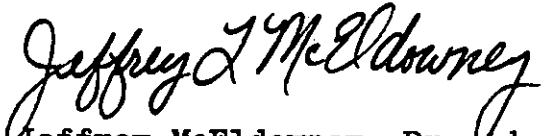

Best wishes for much success in your many endeavors here at Morehead State University.

CONGRESSIONAL APPORTIONMENT

Last month the Student Congress for the 1981-82 academic year was re-apportioned according to Article V, Section 1.B. of the Student Association Constitution. Total fulltime enrollment for the Spring Semester was 4,435. The numbers per class are listed below:

Freshmen	1,486
Sophomores	1,006
Juniors	780
Seniors	874
Graduates	289

Using the above data, it has been determined that there will be seven freshman, five sophomore, four junior, four senior, and one graduate representatives on the Student Congress during the coming academic year. Total class representatives will be 21.

FRESHMAN REGISTER

The material for the Freshman Register has long ago been sent to the publisher. This year College & University Press is adding a new section, at their own expense, to each of the registers. It is designed to assist new students in adjusting to college life. The approximate number that have purchased the Register this year is 471.

Dear Executive Officers:

The summer surely has gone by fast! Lots of work has been done in the line of entertainment for the fall semester. So far, we have contracted Leo Sayer for a September 1st show and are working on an opening act for that show. David Letterman (from the Tonite Show) and Livingston Taylor (James Taylor's brother) will be here for Parents Weekend on September 26th. I received word today that Alabama has agreed to come to Morehead to be our Homecoming Show.

I hope that you are as excited as I am about working with Student Association this year. Enjoy the remainder of your summer and I'll see you in August.

Sincerely

Dear Executive Officers:

I hope all of you are having a good summer. School will be starting in four weeks, and once again, the Student Association will be in action.

I have been working on a list of goals for each of the committees, and would like for you to be thinking of some as well.

On Sunday, August 23, lots of help will be needed to aid us with the move-in of our students including traffic control and assisting with the unloading and carrying in of luggage, etc. This is an excellent opportunity for us to meet the new students as they arrive on campus. There will be brief orientation of the day's activities at a breakfast at 8:00 a.m. in ADUC cafeteria. For those of you who wish to work, meals on Sunday will be paid, and you will be permitted to move into your assigned residence hall after 2 p.m. on Saturday, August 22, 1981.

Please let Mr. Clyde I. James know if any of you plan to attend by August 14, 1981. His address is 301 Howell-McDowell, Morehead, KY 40351 and phone 783-3214.

On Tuesday evening, August 25, a reception has been planned for all new students. This is an excellent opportunity to meet these students and encourage them to become a part of Student Association. Mr. James will have more information at the breakfast on August 23. A full week of activities is being planned for the first week of school. Be sure to take advantage of these.

With your assistance, this can be one of the greatest years the Student Association of Morehead State University has ever had. I am looking forward to working with each of you as the executive officers of the Student Association. See you in August.

Sincerely,

Todd Holdren, President
Student Association

RE: Workshops for SA Officers

Please place the following four executive officers of the 1981-82 Student Association on 10-hour-per-week workshops for the upcoming Fall Semester. Today I am sending through a club fund payable to Kentucky State Treasurer for \$2,280 for the total amount of the four workshops for the Fall Semester 1981. The money should be transferred to the Institutional Workshop Fund.

P. Jade Adams	400-06-0172
Brent Lee Lester	284-72-1272
Vicki Lin Mueller	277-74-9791
Linda Ellen Wetterer	405-90-2831

When Clyde James spoke with Ron on Tuesday, Ron stated that Brent Lester could receive the above-mentioned workshop only if he declined his NDSL Loan. This afternoon, I have been informed that he has sent a letter to Ron declining the loan. That letter should arrive today or tomorrow.

If there is a problem in assigning workshops to any of those mentioned above, please contact Clyde James or myself.

STUDENT ASSOCIATION MINUTES

September 16, 1981

The first Student Association meeting was called to order at 5:05 p.m. by Todd Holdren, President. The roll was called by Vicki Mueller, Secretary, and a quorum was present. The following member was absent: John Wheeler.

EXECUTIVE COMMITTEE REPORTS

President. Todd Holdren welcomed everyone to the first SA meeting and said he hoped we would have this good representation at every meeting throughout the year. As an update, Todd said the two wide screen T.V.s are on the way. One screen will be installed in Alumni cafeteria, and the other screen will be in the grill of ADUC. Also the ice machine was installed in Fields Hall last year. The open house policy is now before the Student Life Committee which states the following changes: 1. Increase in open house hours from 36 to 64 hours per month in each dorm, 2. Students will have the option of living in two residence halls which will have less open house hours, 3. There is an option of having a Co-ed Residence Hall.

Also last year the Campus Improvement Committee arranged to have the parking meters installed in front of the Administration Bldg. The SA office is working on having an "Automatic Teller Machine" installed which will be a 24-hour service enabling students to cash checks on weekends and such. Location of machine has not yet been determined. Todd said we are still trying to get Showtime in the residence halls. Dr. Norfleet has consented and another letter of inquiry has been sent out.

Vice President. David Holton said that the constitution states that all representatives must serve on Congress committees. He asked everyone to fill out a committee choice sheet and return it to Vicki or himself after the meeting.

Secretary. Vicki Mueller said everyone has a folder which they can pick up at the beginning of each meeting. The folders will contain the weekly minutes. Also each person will have a mailbox in the SA office. A sheet containing the names and addresses of Congress members will be given out next meeting.

Treasurer. Linda Wetterer reported the following balances:

Administrative Fund	\$ (2,753.43)
Campus Improvement Fund	1,080.47
Special Events Fund (corrected to)	(5,681.85)

Due to a balancing mistake, a new typed report of the Special Events Fund will be out next week. Linda explained that we are waiting on an allotment of the Student Activity Fee for our funds.

Public Relations Director. Brent Lester said the tickets for the Alabama concert will be on sale September 28, 1981, and the posters will be coming in soon. There are still some Freshman Registers that need to be picked up. Extra copies are on sale in the SA office. He also asked Hall Presidents to meet with him after the meeting.

Programs Director. Jade Adams said she started a Job Placement bulletin board outside the SA office. She said Brent has posters concerning this to pass out. Also Jade is in charge of Coffeehouses this year which she will try to have in the grill once or twice a month.

COMMITTEE REPORTS

Entertainment. Christa O'Cull stated that the Sept. 1, 1981 concert with David Loggins and Leo Sayer went over well. David Letterman and Livingston Taylor will hold a concert at 8:30 p.m. on Sept. 26 for parents weekend. The Concert and Lecture series are paying approx. \$3000 or half the price for David Letterman. Thursday, Oct. 8th is the Alabama concert, also at 8:30 p.m. There will be no opening act. Christa said she hopes to have one more large concert and a few smaller concerts in Button before the end of the first semester.

OLD BUSINESS Todd feels that the student discount card is working fine and has not come across any problems. If there are any problems or if anyone loses a card, they can come to the SA office.

NEW BUSINESS

Proposal SA*9-16-81*01 from Christa O'Cull and seconded by Shari O'Neil concerning entertainment for the Fall of '81 passed unanimously. All appointments to the University Committees were passed unanimously. Additions included Robin Humphrey and Jacqui Williams to Student Life and Susan Mowder to the Committee on Admissions. More appointments will be made at a later date.

DISCUSSION

Luann asked why there was no representative for Foreign students. Clyde explained that to hold a seat in Congress there is one rep. for every 400-500 people. Our foreign students only number approx. 100. Todd said that we are not having a Homecoming Float this year. Instead we will have Corvettes for the Queen and her court. Shari suggested we have someone come to speak on parliamentary procedures.

ANNOUNCEMENTS

Mr. Stevenson explained the order and number of the proposals. He thanked Vicki for the agenda given to him earlier on the day of the meeting. He also said the parking meters were serving their purpose of providing quick parking for students and faculty. Parents Weekend is Sept. 25-27. There are many planned activities including sports events, the concert, and the football game. Parents can stay in their child's room or reserve a room in Waterfield and Butler. Program Council movie is Camelot in Button at 6:30 and 9:15. Ed and Ray are anchor producers at Newscenter 12 airing Sept. 29th. Homecoming Queen Elections are Sept. 25 from 10-5. See one of the Exec. Office if you can work the polls. This year there will be only one election to determine Queen and Court. 36 girls on the ballot: top 11 chosen. Queen will be announced at the dance. Clyde mentioned that the Bloodmobile will be here Sept. 29 - 30 in Button. He says it "doesn't hurt"!

(Announcements continued)

Mike said the Young Democrats had a meeting last Monday night and will have another one this Monday at 9 o'clock p.m. in Radar 105. He invited all Democrats to attend. (\$4 state and local dues)
Todd said the next SA meeting is Wednes. Sept. 23rd at 5:00.
Same time, same place, same station...

Ed moved to adjourn the meeting, Shari gave the second. Meeting of 9-16-81 was adjourned at 5:58 p.m.

Respectfully submitted,

Vicki Mueller

RE: Request for VIP Room in Academic-
Athletic Center

C.I.J.

Denied

David Letterman will be the main attraction for our Parents Weekend Concert on Saturday, September 26. At this point, Mr. Letterman will be driving into Morehead and probably will return to Lexington immediately following the show. He would like to have a place where he can sit and relax or rest before the show. He will be traveling alone. We have one of the visitors' locker rooms available for use by Mr. Letterman. However, the locker rooms are not conducive for rest and/or relaxation.

Please accept this memorandum as my formal request for use of the VIP Room in the Academic-Athletic Center for use by Mr. Letterman on the 26th of September. Your assistance will be greatly appreciated.

OFFICE OF THE PRESIDENT

October 12, 1981

201 HOWELL-MCDOWELL AD. BLDG.
MOREHEAD, KENTUCKY 40351
TELEPHONE 606-783-2111

Dear Parents and Students:

The purpose of this letter is to provide information to you concerning the possible effects of proposed student financial aid cuts for 1982-83 on students attending Morehead State University and to encourage you to take a few minutes to write a letter to your senators and representatives in Washington thanking them for their past assistance in the area of student financial aid and urging their support of legislation favorable to existing student aid programs.

Based on information currently available to us, passage of student aid appropriations as proposed by the Senate Subcommittee on Appropriations for Education could result in the following projected losses for MSU student aid programs for 1982-83:

PELL GRANT (formerly BEOG)	Approximately \$200,000 less than received by students at MSU in 1981-82
SUPPLEMENTAL EDUCATIONAL OPPORTUNITY GRANT (SEOG)	Approximately \$50,000 less than received by students at MSU in 1981-82
NATIONAL DIRECT STUDENT LOAN (NDSL)	Approximately \$150,000 less than received by students at MSU in 1981-82

The projected losses shown above total \$400,000. The loss of this much money in our federal student aid programs will obviously affect a large number of our students. Some who are now enrolled, would possibly be unable to re-enroll.

Therefore, we are asking that you urge your legislators to strongly support the House Appropriations Committee's proposed student aid appropriations figures. In so doing you should inform them that the fat has been trimmed from federal student aid programs already and that further cuts would prevent many students from pursuing a college education.

On the back of this letter is a list of the names and addresses of the Kentucky legislative delegation. We encourage those of you who reside outside the Commonwealth of Kentucky to write your senators and representatives.

Time has become a critical factor. Therefore, your prompt attention to this matter is strongly encouraged.

Sincerely,

Morris L. Norfleet

Dear Parents and Students:

The purpose of this letter is to provide information to you concerning the possible effects of proposed student financial aid cuts for 1982-83 on students attending Morehead State University and to encourage you to take a few minutes to write a letter to your senators and representatives in Washington thanking them for their past assistance in the area of student financial aid and urging their support of legislation favorable to existing student aid programs.

Based on information currently available to us, passage of student aid appropriations as proposed by the Senate Subcommittee on Appropriations for Education could result in the following projected losses for MSU student aid programs for 1982-83:

PELL GRANT (formerly BEOG)	Approximately \$200,000 less than received by students at MSU in 1981-82
SUPPLEMENTAL EDUCATIONAL OPPORTUNITY GRANT (SEOG)	Approximately \$50,000 less than received by students at MSU in 1981-82
NATIONAL DIRECT STUDENT LOAN (NDSL)	Approximately \$150,000 less than received by students at MSU in 1981-82

The projected losses shown above total \$400,000. The loss of this much money in our federal student aid programs will obviously affect a large number of our students. Some who are now enrolled, would possibly be unable to re-enroll.

Therefore, we are asking that you urge your legislators to strongly support the House Appropriations Committee's proposed student aid appropriations figures. In so doing you should inform them that the fat has been trimmed from federal student aid programs already and that further cuts would prevent many students from pursuing a college education.

On the back of this letter is a list of the names and addresses of the Kentucky legislative delegation. We encourage those of you who reside outside the Commonwealth of Kentucky to write your senators and representatives.

Time has become a critical factor. Therefore, your prompt attention to this matter is strongly encouraged.

Sincerely,

Morris L. Norfleet
President

WHEREAS: The Intervisitation Committee surveyed the students residing in residence halls in March of this year.

WHEREAS: In the survey the students expressed their desire for additional intervisitation as well as the initiation of new concepts regarding intervisitation.

WHEREAS: The Student Association has continually felt that the "light on, door unlocked" policy was an infringement of student's basic right.

The Intervisitation Committee recommends the following:

- 1) That the Student Life Committee study and re-evaluate the current "lights on, door unlocked" policy.
- 2) That the intervisitation schedule proposed in the survey of March 1981 be approved at the earliest convenience, with funding for the increase resulting from the room rate increase.
- 3) That in all future room drawings, there will be set aside two residence halls, one male and one female, for those students desiring reduced intervisitation.
- 4) That incorporated into the plans for the 1982-83 academic school year, there be one co-ed residence hall; this hall being established on a one year trial basis. We recommend that the 1981-82 academic school year be used for study and preparation regarding this change.

BE IT PROPOSED: That the Student Association go on record as supporting these recommendations made by the Intervisitation Committee.

RE: Storage Space in Thompson
Hall for Sewing Room and
Bicycles.

We are presently using
about $\frac{1}{2}$ of the space
vacated by Rehab on the
ground floor of Thompson
Hall for storage of
sewing supplies. We
are requesting the
rest of the space
for bicycle storage.
We lost bicycle storage
area when Thompson
H/L area was developed.
